~ RANCH HORSE CLASSES ~

No hoof polish. No braided or banded manes or tail extensions. Trimming the inside of ears is discouraged. Trimming bridle path is allowed, as is trimming of fetlocks or excessive (long) facial hair. Silver on bridles and saddles is discouraged and will not count over a good working outfit. It is suggested competitors use a breast collar and a rear cinch. Attire should be conservative in nature

and reflect what would be seen on a working ranch. Embellished western pleasure attire is not allowed. Chaps and chinks are allowed.

#### **Ranch Horse Conformation, Open**

The purpose of Ranch Conformation is to present a well-mannered horse which reflects a positive combination of balance, structural correctness, and movement with appropriate breed and sex characteristics and adequate muscling. The ideal Ranch conformation horse should have a natural ranch horse appearance from head to tail. Horses are to be shown in a good working halter: rope, braided, nylon or plain leather. Horses may be shown in a leather lead shank with an attached chain either under or over the nose. Banding, braiding, hoof polish, tail extensions and trimming of ears are discouraged but will not be penalized.

#### **Ranch Horse Trail, Open (No NEZ Pts.)**

The Ranch Trail class should test the horse's ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during the course of everyday ranch work. The horse/rider team is judged on the correctness, efficiency and pattern accuracy with which the obstacles are negotiated, and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well broke, responsive and well-mannered horse which can correctly navigate and negotiate the course. The ideal ranch trail horse should have a natural ranch horse appearance from head to tail in each maneuver.

#### **Ranch Rail, Open**

Horses competing in Ranch Rail should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward and working speed while under control by the rider. Light contact should be rewarded, and horse shall not be shown on a full drape of reins. Allow posting and holding the saddle horn. The horse's head position should be elevated and above the level at all gaits. The overall manners and responsiveness of the horse while performing the maneuver requirements, and the horse's quality of movement are the primary considerations. The class will be worked both directions of the arena. Exhibitors will be asked to walk, extend the walk, jog, extend the jog, lope, extend the lope, stop from any gait, back, side pass to and from the rail, and turn of 180 degrees or greater. Any class size greater than 8 may be worked in lots at show management or judge's discretion depending on arena capacity and safety.

#### **Ranch Riding, Open (AQHA Pattern #2)**

The purpose of Ranch Riding should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward and working speed while under control by the rider. Light contact should be rewarded, and horse shall not be shown on a full drape of reins. Allow posting and holding the saddle horn. The horse's head position should be elevated and above the level at all gaits. The overall manners and responsiveness of the horse while performing the maneuver requirements, and the horse's quality of movement are the primary considerations. Each horse will work individually, performing both required and optional maneuvers, and scored based on 0 - 100, with 70 denoting an average performance. Each maneuver will receive a score, ranging from plus 1½ to minus 1½ that will be added or subtracted from 70 and is subject to a penalty that will be subtracted. Maneuver scores will be determined and assessed independently of penalty points. Required maneuvers will include the walk, trot, and lope in both directions, and the extended trot and extended lope in at least one direction, as well as stops and backs. Three optional maneuvers may include a side pass, turns of 360 degrees or more, changes of lead (simple or flying), walk, trot or lope over a pole(s), or some combination of maneuvers that it would be reasonable for a ranch horse to perform.
